

MERIT BADGE SERIES

DIGITAL TECHNOLOGY

BOY SCOUTS OF AMERICA
MERIT BADGE SERIES

DIGITAL TECHNOLOGY

"Enhancing our youths' competitive edge through merit badges"

BOY SCOUTS OF AMERICA®

Requirements

1. Show your counselor your current, up-to-date Cyber Chip.
2. Do the following:
 - a. Give a brief history of the changes in digital technology over time. Discuss with your counselor how digital technology in your lifetime compares with that of your parent's, grandparent's, or other adult's lifetime.
 - b. Describe the kinds of computers or devices you imagine might be available when you are an adult.
3. Do the following:
 - a. Explain to your counselor how text, sound, pictures, and videos are digitized for storage.
 - b. Describe the difference between lossy and lossless data compression, and give an example where each might be used.
 - c. Describe two digital devices and how they are made more useful by their programming.
 - d. Discuss the similarities and differences between computers, mobile devices, and gaming consoles.
 - e. Explain what a computer network is and describe the network's purpose.
4. Do the following:
 - a. Explain what a program or software application or "app" is and how it is created.
 - b. Name four software programs or mobile apps you or your family use, and explain how each one helps you.
 - c. Describe what malware is, and explain how to protect your digital devices and the information stored on them.

5. Do the following:
 - a. Describe how digital devices are connected to the Internet.
 - b. Using an Internet search engine (with your parent's permission), find ideas about how to conduct a troop court of honor or campfire program. Print out a copy of the ideas from at least three different websites. Share what you found with your counselor, and explain how you used the search engine to find this information.
 - c. Use a Web browser to connect to an HTTPS (secure) website (with your parent's permission). Explain to your counselor how to tell whether the site's security certificate can be trusted, and what it means to use this kind of connection.
6. Do THREE of the following. For each project you complete, copy the files to a backup device and share the finished projects with your counselor.
 - a. Using a spreadsheet or database program, develop a food budget for a patrol weekend campout OR create a troop roster that includes the name, rank, patrol, and telephone number of each Scout. Show your counselor that you can sort the roster by each of the following categories: rank, patrol, and alphabetically by name.
 - b. Using a word processor, write a draft letter to the parents of your troop's Scouts, inviting them to a troop event.
 - c. Using a graphics program, design and draw a campsite plan for your troop OR create a flier for an upcoming troop event, incorporating text and some type of visual such as a photograph or an illustration.
 - d. Using a presentation software program, develop a report about a topic approved by your counselor. For your presentation, create at least five slides, with each one incorporating text and some type of visual such as a photograph or an illustration.
 - e. Using a digital device, take a picture of a troop activity. Send or transfer this image to a device where the picture can be shared with your counselor.

- f. Make a digital recording of your voice, transfer the file to a different device, and have your counselor play back the recording.
 - g. Create a blog and use it as an online journal of your Scouting activities, including group discussions and meetings, campouts, and other events. Include at least five entries and two photographs or illustrations. Share your blog with your counselor. You need not post the blog to the Internet; however, if you choose to go live with your blog, you must first share it with your parents AND counselor AND get their approval.
 - h. Create a Web page for your troop, patrol, school, or place of worship. Include at least three articles and two photographs or illustrations. Include at least one link to a website of interest to your audience. You need not post the page to the Internet; however, if you decide to do so, you must first share the Web page with your parents AND counselor AND get their approval.
7. Do the following:
- a. Explain to your counselor each of these protections and why they exist: copyright, patents, trademarks, trade secrets.
 - b. Explain when it is permissible to accept a free copy of a program from a friend.
 - c. Discuss with your counselor an article or a news report about a recent legal case involving an intellectual property dispute.
8. Do TWO of the following:
- a. Describe why it is important to properly dispose of digital technology. List at least three dangerous chemicals that could be used to create digital devices or used inside a digital device.
 - b. Explain to your counselor what is required to become a certified recycler of digital technology hardware or devices.

- c. Do an Internet search for an organization that collects discarded digital technology hardware or devices for repurposing or recycling. Find out what happens to that waste. Share with your counselor what you found.
 - d. Visit a recycling center that disposes of digital technology hardware or devices. Find out what happens to that waste. Share what you learned with your counselor.
 - e. Find a battery recycling center near you and find out what it does to recycle batteries. Share what you have learned with your counselor about the proper methods for recycling batteries.
9. Do ONE of the following:
- a. Investigate three career opportunities that involve digital technology. Pick one and find out the education, training, and experience required for this profession. Discuss this with your counselor, and explain why this profession might interest you.
 - b. Visit a business or an industrial facility that uses digital technology. Describe four ways digital technology is being used there. Share what you learned with your counselor.

Digital Technology Resources

Scouting Literature

Drafting, Electricity, Electronics, Engineering, Game Design, Graphic Arts, Inventing, Photography, Programming, and Robotics merit badge pamphlets

Visit the Boy Scouts of America's official retail website at <http://www.scoutstuff.org> for a complete listing of all merit badge pamphlets and other helpful Scouting materials and supplies.

Acknowledgments

The Boy Scouts of America gratefully acknowledges the team that helped update this edition of *Digital Technology*, which replaces the *Computers* merit badge pamphlet:

Celeste Rance—Digital Technology merit badge lead; coauthor, *Programming* merit badge pamphlet; software development manager, Pearson

Rick Folea—Eagle Scout; Programming merit badge lead; coauthor, *Robotics* merit badge pamphlet; AutomationDirect.com

Laszlo Hideg—Ph.D., P.E.—Transmission Algorithms and Control, GM Powertrain; coauthor, *Robotics* and *Programming* merit badge pamphlets; FIRST® Robotics competition judge and volunteer

Steve Petersen—Eagle Scout; BSA Cyber Chip codeveloper; Web development professional

Robert J. Caruso, CISSP—Information security architect, Battelle Memorial Institute; inventor and software product developer; U.S. CyberPatriot mentor and lifelong Scouter; coauthor, *Programming* merit badge pamphlet; BSA Cyber Chip codeveloper

Steve Wincor—Chief systems architect, Lockheed Martin; BSA Nova Awards mentor; coauthor, *Programming* merit badge pamphlet; BSA Cyber Chip codeveloper

Dr. Philip Stahl, Ph.D.—Eagle Scout; senior optical physicist, NASA; 2014 president, SPIE (Society of Photo-Optical Instrumentation Engineers)

Thanks also to Eagle Scout Christopher Hideg for his assistance with sidebars for this merit badge pamphlet.

We appreciate Scott Stuckey for writing the previous edition of the *Computers* merit badge pamphlet, upon some of which this new pamphlet is based. Mr. Stuckey is a former editor of *Boys' Life* magazine.

The BSA is grateful to the Components, Packaging, and Manufacturing Technology Society of the Institute of Electrical and Electronics Engineers, in particular longtime national Scout jamboree staff member Ralph W. Russell II, IEEE Precollege Education Coordinating Committee, for their assistance with previous editions of the *Computers* merit badge pamphlet that formed the basis for much of this revised edition.
